

ENTRY REQUIREMENTS FOR VISITORS FROM CANADA

AS OF FEBRUARY 17, 2022

CHANGES FROM THE LAST VERSION:

- Vaccinated people do not need a PCR test to enter Romania
- Entry to Bulgaria was only possible from Romania, but is now possible also from other countries
- Bulgaria and Romania updated vaccine list
- Austria has Novavax on approved vaccine list. They also expect to announce further easing on February 22nd.
- Croatia has Novavax on approved vaccine list. Validity of vaccine was reduced from 365 days to 270 days.

COUNTRIES ARE INTRODUCED IN REVERSE CLOCKWISE ORDER

North from Slovenia, Croatia then South to Albania, North Macedonia and finishing with Romania and Serbia. You will also find Austria and Italy at the bottom of the file.
